

DISCLAIMER

The information in this report is for illustrative purposes only and should not be considered as investment advice or a recommendation. Returns on investments are not guaranteed and there are various risk factors to consider, such as interest rates, market demand, demographics, public policies, and the economic environment. Investors should conduct their own research based on their financial situation and seek professional advice before making any decisions. It is important to read this document in its entirety, including any additional information and updates.

All forecasts and conclusions in this advertising are based on the current market conditions and the knowledge available to Start Investing Australia at the time of preparation. While Start Investing Australia has taken care in preparing this report, changes in information after its preparation may affect its accuracy. Start Investing Australia, its salespersons, and its employees do not guarantee the accuracy, reliability, completeness, or currency of the information provided.

Any information about products in this report/advertising/marketing material are based on information provided by third parties (such as master agents, vendors, developers, etc.). Start Investing Australia assumes no responsibility for the accuracy of such information included in this report. Start Investing Australia is not providing financial or tax advice.

Your eligibility for the products that we show to you are subject to you satisfying the relevant provider's requirements, including a credit assessment. Start Investing Australia does not provide credit assistance, legal or financial advice.

We will not recommend any specific home loans to you, and we will not assist you to complete your application. If you would like to check your eligibility or apply for a particular loan, we can arrange for you to be contacted by a mortgage broker to assist you.

The mortgage brokers that we refer you to will either hold their own credit licence, or they will be a credit representative of Australian Finance Group Ltd, which holds Australian Credit Licence # 389087. Start Investing Australia receives remuneration which is paid to AFG by participating lenders and then paid on to Stop Renting Group by AFG for home loans written as a result of Start Investing Australia referral. Details of our remuneration can be found in the Credit Guide provided to you by our finance partners York Lending Group Pty Ltd. The service and any other information provided on this site is factual and general information.

None of it is a personal recommendation, suggestion, or advice about the suitability of a particular home loan product for you. Before acting on the information we provide and when using the service, evaluate your needs, objectives and situation and which products are suitable for you.
